

ESCAPE ROOM IN A BAG

MISSION EDUCATION FOR A NEW GENERATION

SUPPORT MISSIONS AT YOUR LOCAL BSM

Learn and support missions at the same time! Bring a TBM Interactive facilitator to your church or event and we will give the proceeds to your local BSM. We believe every college student should experience a mission trip before they graduate. Let's empower a new generation of kingdom builders to GO and DO for the glory of God!

-
- TBM Interactive is an escape room experience in a bag with a storyline of missions. Your small groups will "travel to a disclosed country and rebuild a church destroyed due to persecution."
 - Perfect for youth groups, small groups, Sunday School classes, camps, retreats, family nights, etc
